- Quarterly: 4 installments of \$2,864
- Monthly: \$2,864 down + 9 installments of \$955

Risk Assessment Summary

ML Risk Score: 3.0 / 100 (Low)

Predicted Loss Ratio: 0.04

Pricing Recommendation: Competitive Rate

5-Year Loss History: 0 claim(s) totaling \$0

Safety Procedures: Yes | Employee Training: Yes

Heritage Bistro was auto-approved due to its exceptionally low risk profile, with a risk score of 3.0/100 and a predicted loss ratio of just 0.05. The business demonstrates strong risk management through documented safety procedures and employee training programs, combined with a perfect five-year claims history showing zero incidents and zero losses. With modest annual revenue of \$550,575 and a small workforce of 6 employees, the operation presents minimal exposure while maintaining comprehensive safety protocols.
